health

# THE WARMEST OF WELCOMES AWAITS YOU IN DUBLIN

Dublin is a resoundingly social place, packed with culture, creativity and craic (fun). You'll see it in the busy pubs, in the rolling nightlife scene, in the music and in the chat. But this ancient gem basks in natural beauty, too. Head out beyond the city, and the UNESCO Biosphere of Dublin Bay opens up with coastal walks, little villages, wide sea views and rugged mountain backdrops. Take to the Dublin mountains for a hike, go rock-climbing in Dalkey Quarry, walk the cliff path at Howth or join the Dublin hardcore who sea-swim whatever the weather. There's an adventure around every corner.
